

**WEEKLY UPDATE**  
**5/7/2021**

Dear Residents and Families/Representatives,

Happy Mother's Day weekend! Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 73 residents and 51 staff members test positive for COVID-19. Staff is currently being tested every Friday. We have not had a new confirmed positive case since 1/19/2021

We are excited to begin hosting inside and outside visits starting 3/25/2021. Please contact Barbara Deal, Activities Director 864-472-2028 to schedule your visit.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 864-472-2028

Sincerely,

*Keven Manning*
