

Lake Emory Post Acute Care

WEEKLY UPDATE

6/23/20

Dear Residents and Families/Representatives,

We are happy to report that, as of today, Lake Emory Post Acute Care has no confirmed cases of COVID-19. We continue to follow the recommendations of our health officials and practice the enhanced safety measures that are listed on our website and previous communications.

We know the past few months have been a big adjustment for everyone, especially our residents. While our staff is working is very hard to make sure they are safe, we also want to make sure they they get to see their loved ones! If you would like to schedule a window visit with your loved one please call the facility and let the staff know when and what time so we can bring them to the front lobby.

As always, please continue to check our website for updates. We will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly 864-472-2028.

Sincerely,

Jeanette Blankenship
